MARKET ANIMALS ONLY

Owner certification of market animals, with regard to the use of animal health aids, growth promotants or other livestock management substances is required. Please read and understand the following:

I am aware that:

- Chemical substances used in livestock production, disease prevention or disease control, have approved withdrawal times before harvest.
- Information on specific use and withdrawal times can be found on product label instructions or printed drug lists available from my County Extension office
- Tranquilizers and other non-approved substances should not be used for food animals.

The withdrawal date for medication and legal drugs will be the date of animal check-in at the Ks Jr Livestock Show.

THEREFORE, I certify that the animals I bring to this Show have (check one):

____ While in my ownership, never been given _____ **OR** _____ Complied with legal withdrawal times in the use of one ore more approved chemical substances for animal health, growth promotion or other livestock management practices.

I understand that a violation of approved usage of these substances may be prosecuted and that ANY animal at the KJLS is subject to comprehensive drug tests at the option of Show Management. The KJLS and its officers and management will not be held legally responsible.
